Upon filing of an appeal pursuant to that part, action by the trustee on the conveyance will be suspended pending final decision on the appeal.

§ 2565.6 Rights-of-way.

(a) Notwithstanding any other provisions of this part, the trustee is authorized to grant rights-of-way for public purposes across any unentered lands within the townsite. This authority is expressly limited to grants of rights-of-way to cities, towns, villages, and municipalities, and to school, utility, and other types of improvement districts, and to persons, associations, companies, and corporations engaged in furnishing utility services to the general public, and to the United States, any Federal or State agency or instrumentality for use for public purposes.

(b) The trustee may in his discretion fix a reasonable charge for any grant under this authority to private persons, associations, companies and corporations, and to Federal and State agencies and instrumentalities, which charge shall be a lump sum. All grants shall be subject to such conditions, limitations, or stipulations as the trustee shall determine are necessary or appropriate in the circumstances. No grants of rights-of-way under this authority shall be made across or upon lands on which prior rights of occupancy or entry have vested under the law.

(c) Grants of rights-of-way under this section to Federal and State agencies and instrumentalities to private persons, associations, companies, or corporations affecting lands within any incorporated city, town, village, or municipality, may be made only after the proposed grant has received the approval of the city, town, or village council, or, where applicable, the municipal board or commission having authority under state law to approve rights-of-way for local public utility purposes. Any decision by the trustee which is adverse to a protest will be subject to the right of appeal under part 1840 of this chapter. Upon the filing of an appeal, action by the trustee on the application for right-of-way will be suspended pending final decision on the appeal.

§ 2565.7 Final report of trustee; disposition of unexpended moneys and unsold lots.

After the disposal of a sufficient number of lots to pay all expenses incident to the execution of the trust, including the cost of the subdivisional survey, the trustee will make and transmit to the Bureau of Land Management his final report of his trusteeship, showing all amounts received and paid out and the balance remaining on hand derived from assessments upon the lots and from the public sale. The proceeds derived from such sources, after deducting all expenses, may be used by the trustee on direction of the Secretary of the Interior, where the town is unincorporated, in making public improvements, or, if the town is incorporated such remaining proceeds may be turned over to the municipality for the use and benefit thereof. After the public sale and upon proof of the incorporation of the town, all lots then remaining unsold will be deeded to the municipality, and all municipal public reserves will, by a separate deed, be conveyed to the municipality in trust for the public purposes for which they were reserved.

§ 2565.8 Records to be kept by trustee.

The trustee shall keep a tract book of the lots and blocks, a record of the deeds issued, a contest docket, and a book of receipts and disbursements.
